

Every item your child brings to YMCA Camp Bernie should be labeled with your child's first and last name. This helps camp manage lost and found, and campers are more likely to go home with everything they brought. You can Google iron-on labels for clothing or go to <u>www.bestnametape.com</u> or <u>www.labellighthouse.com</u> or use a permanent clothing marker.

Campers should pack enough clothing for their full session. Laundry services will be available on weekends for an additional charge. This can be added on your camper's online account.

Please pack your child's clothes in a suitcase or duffle bag. Footlockers & trunks consume too much space in the cabins.
