YMCA Camp Bernie Advantage Before/After School Program

INFORMATION FOR PARENTS & GUARDIANS

OUR PHILOSOPHY

For 66 years, YMCA Camp Bernie has provided programs that help children make new friends, develop new skills and experience innovative, age-appropriate challenges. We build strong kids so they can become healthy and productive adults. We provide safe and healthy program experiences with positive role models. We offer a wide variety of activities through which children have fun, build confidence, develop skills and make friends. We teach and live the YMCA values of caring, honesty, respect and responsibility that encourage cooperation, trust, integrity and accountability. We celebrate diversity and respect each other in our community. We operate in a way that considers the care, welfare, health, and safety of all the children in our program.

ENROLLMENT

Any child attending Franklin Township Elementary School is eligible to apply for the before and/or after school program. If your child has an IEP and/or requires additional supports in school, please contact us to schedule a consultation prior to their first day. Enrollment can be on a drop-in basis, or from 1-5 days per week, for both before school and after school care. It may take up to 5 business days from the date we receive the enrollment packet for the child to be able to attend the program. YMCA Camp Bernie reserves the right to cancel the program for any day(s) there are less than 6 students registered, with at least one week of advanced notice. For any change in enrollment, written communication must be sent to both Camp Bernie, at info@campbernieymca.org, as well as to the appropriate school office.

PROGRAM HIGHLIGHTS & HEALTHY U/CATCH

YMCA Camp Bernie is a branch of the Ridgewood YMCA and has been operating a child care program in the Lebanon Township school district since 2009. YMCA Camp Bernie is contracted on an annual basis by the board of education to operate a state licensed child care center within the Lebanon, Washington, and Franklin Township school districts buildings of Woodglen Middle School, Valley View Elementary School, Brass Castle Middle School, Port Colden Elementary School and Franklin Elementary School. The ratio for our child care program, in accordance with state requirements, is 1 staff for every 15 students, where 2 staff members must be present in a group of 6 or more children. YMCA Camp Bernie does not provide one-on-one services.

The YMCA Camp Bernie Advantage Program, in partnership with the New Jersey YMCA State Alliance and Horizon Blue Cross Blue Shield of NJ, participates in the Healthy U and CATCH Kid's Club initiative, which is designed to prevent childhood obesity by instituting behavioral changes in the children in our program. Activity time is offered daily in the form of group games & free play in the gymnasium or outside in school sports areas. Morning and afternoon snacks are provided on a daily basis, following the USDA guidelines below. If you wish to supplement the snacks offered, you are welcome to send additional food & drink, but it must also correlate with the following USDA guidelines:

1. No sugar sweetened or artificially sweetened beverages, including soda, juice drinks and sports drinks.
2. Small portions of any foods that are high in solid fats, added sugar, trans fats, and sodium.
3. Fruits and vegetables, fresh or packed in water or 100% fruit juice
4. Natural low-fat and reduced-fat cheeses, and yogurt with no more than 23g of sugar per 6 oz serving
5. Breakfast cereal with no more than 6g of sugar per dry ounce (no more than 21g sugar per 100g)
6. Whole grain-rich or enriched or fortified bread or bread products

HOMEWORK POLICY

Homework Help is offered Monday–Thursday for approximately one hour. If children cannot adhere to the quiet time policy during homework help, they will be asked to leave the homework room and return to other activities. Staff will offer assistance as needed, but constant one-on-one help is not available. Staff do not check assignment books or folders if children say they do not have homework. It is up to the child and the parent(s) to ensure that homework is completed, but if there are specific concerns you have about your child’s homework needs, please speak to the Advantage Care Director.

ELECTRONICS AND TOYS POLICY

At the before and aftercare programs, we value the condition of toys & electronic equipment, either from home or issued by the school. We do allow students to play with these items at designated times in consideration of safety and proper supervision. However, we highly discourage children bringing toys and electronics from home, as they are often lost, broken, and can cause arguments between children. Also, in conjunction with the CATCH curriculum, we strive to reduce screen time at our programs, and replace it with social interactions and games. If Chromebooks are needed for homework, they may be used during the designated homework time. Staff do their best to supervise the games children play on their electronics during designated times to ensure their appropriateness. Games with violence, weapons and gore will not be tolerated. Children are not allowed to search the web unless it is required as part of a homework assignment. If your child has a cell phone or smart watch and wishes to use it to contact parents/guardians, we will allow them to do so with permission from a staff person and appropriate supervision. YMCA Camp Bernie reserves the right to confiscate devices, should an attempt be made to either receive or send text, voice, audio, and picture or video messages during program hours. Use of the camera feature of any cell phone, digital camera, or other similar device is strictly forbidden. YMCA Camp Bernie is not responsible for any personal items.

RECALL ITEMS

As a state licensed child care center, we are required to provide parents with the Consumer Product Safety Commission (CPSC) website at <http://www.cpsc.gov/cpscpub/prerel/prerel.html>. The Advantage Care Director receives and reviews email updates weekly to ensure there are no unsafe children’s products at our center that have been listed for recall by the CPSC.

YMCA Camp Bernie Advantage Before/After School Program

DISCIPLINE & EXPULSION POLICY

All the children in the Advantage Program are entitled to a safe, supervised, and supportive environment while in our care. The Advantage Staff will use positive reinforcement, consistency in following routines, and enforcing reasonable limitations as tools to avoid unwanted behaviors. Our goal as a staff team is always to help children develop and maintain self-control in the group activities & settings with which they are presented.

Staff members shall not: a) discipline children for failing to eat or sleep or for soiling themselves, b) withhold active play as a means of discipline unless the child's actions or behavior present a danger to themselves or others, c) use hitting, shaking, or any form of corporal punishment, d) use abusive language, ridicule, harsh, humiliating, or frightening treatment or other forms of emotional punishment, e) engage in or inflict any form of abuse and/or neglect, f) withhold food, emotional responses, stimulation, or the opportunities for rest or sleep, or g) require a child to remain silent/inactive for an inappropriately long period of time for the child's age.

When a child does exhibit unwanted behavior, the child will be warned and given an explanation of why such behavior is unacceptable. Should the behavior persist, the child may be separated from his/her peers for a time appropriate to the child's age, to cool down and have a more in depth discussion with a staff member. The child so removed will either be under the supervision of another staff member or continuously visible to a staff member. If the behavior still continues, a discipline report will be written, then emailed to parents in a timely manner. Serious behavior infractions may warrant an immediate report and even a phone call requesting pick-up.

Ongoing inappropriate behavior, uncontrollable tantrums/angry outburst, chronic disrespect of other students and/or staff, consistently not obeying site rules, or any ongoing verbal or physical abuse of other students/staff will result in suspension from the program until a conference can be arranged with the Coordinator and/or Executive Director to discuss an action plan.

Immediate expulsion from the program would be necessary if: a) a child is deemed by program staff to be at risk of causing injury to him/herself, other children, or staff members b) if a parent exhibits verbal abuse to staff, especially in front of enrolled children, or c) if a parent threatens physical violence or shows intimidating actions toward staff members. With the exception of Immediate Causes for Expulsion, if remedial actions do not improve behaviors, the child's parent/guardian will be advised in writing with a specific timeframe and behavior expectations for continued enrollment through email. This timeframe will be of sufficient time to allow parent/guardian to seek alternative care in the event that the situation does not improve.

Additional parental actions for temporary suspension or permanent expulsion could result from failure to complete required forms, falsifying information on required forms, failure to pay, habitual lateness in payments, and habitual tardiness when picking up child(ren). There will be no credits/refunds for suspensions or expulsions.

YMCA Camp Bernie Advantage Before/After School Program

HOMWORK AGREEMENT

Parent's Name _____ Child's Name _____

Among the many activities available to children in the Advantage Program, homework help/study time is typically provided for one hour, Monday–Thursday, where 1–2 staff will be available to provide children a quiet space away from the rest of the group to complete homework assignments. It may be held in the cafeteria, one of the school classrooms, or in the gymnasium when the other children are outside.

Rather than assigning your child to this time, we request that parents inform us if this is a priority for their child on this form. Discussion between the parent(s) and child is encouraged so that there is an understanding of parents' expectations. Advantage staff do not have communication with your child's teacher and cannot know the assignments of every child. Advantage staff do not check folders or assignment books when a child says they have no homework.

Advantage staff do their best to assist children with the completion of assignments, however, constant one-on-one help is not available, and it remains the responsibility of the child to take advantage of the time and support that is offered.

Please indicate your preference after discussion with your child:

- Yes, I would like my child to participate in the designated time to do homework.
- No, I prefer to have my child do their homework at home.
- My child is in Kindergarten and therefore has no homework.

Department of Children and Families Office of Licensing INFORMATION TO PARENTS

Under the provisions of the Manual of Requirements for Child Care Centers (N.J.A.C. 10:122), every licensed child care center in New Jersey must provide to parents of enrolled children written information on parent visitation rights, State licensing requirements, child abuse/neglect reporting requirements and other child care matters. The center must comply with this requirement by reproducing and distributing to parents this written statement, prepared by the Office of Licensing, Child Care & Youth Residential Licensing, in the Department of Children and Families (DCF). In keeping with this requirement, the center must secure every parent's signature attesting to his/her receipt of the information.

Our center is required by the State Child Care Center Licensing law to be licensed by the Office of Licensing, Child Care & Youth Residential Licensing, in the Department of Children and Families (DCF). A copy of our current license must be posted in a prominent location at our center. Look for it when you're in the center.

To be licensed, our center must comply with the Manual of Requirements for Child Care Centers (the official licensing regulations). The regulations cover such areas as: physical environment/life safety; staff qualifications, supervision, and staff/child ratios; program activities and equipment; health, food and nutrition; rest and sleep requirements; parent/community participation; administrative and record keeping requirements; and others.

Our center must have on the premises a copy of the Manual of Requirements for Child Care Centers and make it available to interested parents for review. If you would like to review our copy, just ask any staff member. Parents may secure a copy of the Manual or Requirements by sending a check or money order for \$5 made payable to the "Treasurer, State of New Jersey", and mailing it to: NJ Department of Children and Families, Office of Licensing, Publication Fees, PO Box 657, Trenton, NJ 08646-0657.

We encourage parents to discuss with us any questions or concerns about the policies and program of the center or the meaning, application or alleged violations of the Manual of Requirements for Child Care Centers. We will be happy to arrange a convenient opportunity for you to review and discuss these matters with us. If you suspect our center may be in violation of licensing requirements, you are entitled to report them to the Office of Licensing toll free at 1-877-667-9845. Of course we would appreciate your bringing these concerns to our attention too.
