

# Day Camp Packing List

Below is a list of everything your camper will need to pack for camp each day. Please label each item with your camper's name to ensure that is returned to you if it gets misplaced.

- Water Bottle (minimum 20 oz)
- Swimsuit
- Towel
- Spray Sunscreen
- Lunch Box with ice pack
- Change of clothes including underwear
- Closed-toe shoes (required)
- Face mask in a plastic bag
- On-the-go bottle of hand sanitizer

## Optional:

- Goggles for swimming
- Appropriate attire for inclement weather
- Sunglasses
- Hat
- Bug spray
- Individual activity as a second option to planned activities\*

Basic supplies such as a pack of crayons, markers etc. (these will be provided)\*

\*There will be times that campers are offered individual activities to choose from & they are welcome to bring some basic supplies for personal use if they feel more comfortable. We suggest books or a small bag of toys they can play with on their own, while around other campers. These items will not be shared between campers. These can also be used if campers do not want to participate in a scheduled activity as well. Electronic devices are still not permitted.
